Call for Abstracts

(Abstract presenters
must register for the
symposium)

**Deadline
15 August 2011**

Challenge the Professors Case Presentation

The conference is introducing a new category of delegates' presentation in order to bring the faculty closer to the delegates. Delegates are invited to present an unique case to the Professors/ Speakers, so that a discussion will be generated on stage during the symposium. Please send your case in less than 250 words for scientific committee's approval.
